

GUJARAT NIPPON

Efficient, Reliable & Global

ISO Certified Star Export House
Recognized for Excellence in International Trade & Exports

Your Partner in the refurbishment and restoring of engineering products

A LEGACY OF 25 YEARS

With a **strong footprint across Africa and the Middle East**, we are known for quality and customer satisfaction.

Overtime, engineering items endure wear and tear. We go a step further by providing services that utilise advanced techniques to restore worn-out items to their original specifications, ensuring optimal performance.

Partnering with **leading refurbishment service providers**, our assurance is to **deliver efficiency and value**, backed by 24/7 service, quality products, and proven expertise.

Our extensive product range serves multiple industrial sectors.

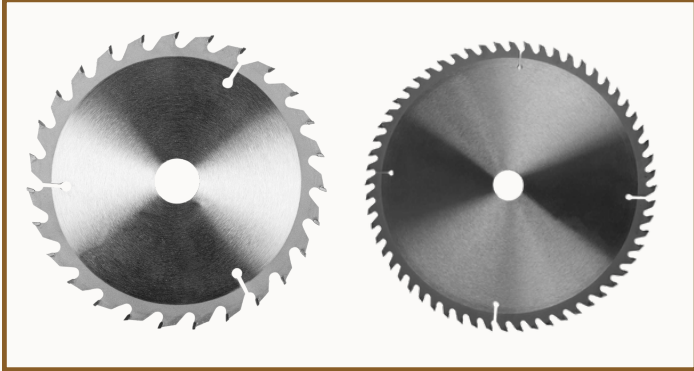

- Blades
- Rolls
- Containers

Global Reach, Trusted Quality

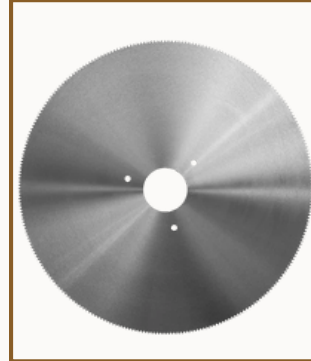

With a presence across 16+ countries, Gujarat Nippon proudly serves a diverse range of industrial sectors.

Additionally, at Gujarat Nippon International Pvt Ltd., we are dedicated to fostering enduring relationships by delivering products that exemplify our unwavering focus on quality, precision and excellence.
